

The children are reading a poem about protecting the environment.

## BE GOOD TO OUR EARTH

Be good to our Earth.  
 She was here long before our birth.  
 Let's show her we care  
 About the air we share.

The three Rs is the way. 5  
 Let's start recycling things today.  
 Reuse the things we can.  
 Reducing rubbish is an 'A+' plan.

Help save our good old planet.  
 Don't print **too many** leaflets. 10  
 Recycle newspapers and mags.  
 Buy **less** junk and use **fewer** plastic bags.

Keep the environment clean.  
Make each day fresh and green.  
We **ought to** clean up rivers and lakes,  
And do whatever it may take.

15

Animals and trees are humans' friends.  
Save them from a hopeless end.  
Stop chopping trees down,  
And grow more trees in our town.

20

Be good to our Earth.  
She was here long before our birth.  
It is worth making a fuss,  
As the future starts with all of us.
